

west of and parallel to the center line of Livingston Road aforesaid in a northwesterly direction to the southeast boundary of the District of Columbia; thence along said District of Columbia boundary in a northeasterly direction to the southwest corner of Seat Pleasant Election District No. 18, the said corner being the intersection of said District of Columbia boundary with the present south boundary of the Washington Suburban Sanitary District.

SEC. 2. *And be it further enacted,* That the Washington Suburban Sanitary Commission may, whenever it deems it advisable, construct a water and sewer system or systems, either or both, in any or all parts of the territory hereinbefore described and said water or sewer systems or any extensions thereto shall be taken and considered as a part of the Commission's general system and subject to all of the rules, regulations, assessments and benefits affecting the same as part of the territory of the Washington Suburban Sanitary District for the purpose of direct tax or any or all of the provisions of Chapter 122 of the Acts of 1918 and any amendments thereto. And the said additional territory shall be taken as and treated as if the said additional territory were within the original boundaries of the Sanitary District, provided, however, that no Sanitary Commission Direct Tax shall be levied by the County Commissioners of Prince George's County against the territory first described herein as being in Vansville District, nor against that part of the territory secondly described herein which lies south of the Suitland Road, prior to January 1, 1936, nor shall the Sanitary Commission levy any front foot benefit tax, charge or other assessment within that part of the above described territory in Vansville District and that part south of the Suitland Road hereinbefore described, until such time as the construction of a water and/or sewer system is actually begun within said territory, or an extension is made of any existing water or sewer system.

SEC. 3. *And be it further enacted,* That this Act is hereby declared to be an emergency law and necessary for the immediate preservation of the public health and safety, and having passed by a yea and nay vote, supported by three-fifths of all the members elected to each of the two Houses of the General Assembly of Maryland, the same shall take effect from the date of its passage.

Approved April 6, 1931.
